Celebrating Success

We are very proud that each of our classes made a profit during the Enterprise Week.

The children contributed 20% of their profits towards a Science Show. Next week we have a themed week: 'Science and Learning Outside the Classroom and Geography Fieldwork

Week.' The Science Show will take place on Monday to kick start the week! We hope for some better Weather!

Each Class then decided what they were going to spend their profits on and came up with the following ideas:

Year 6 – Bowling at Hollywood Bowl

Year 5 – Games for Wet Play

Year 4 - Bowling at Hollywood Bowl

Year 3 – Summer Picnic

Year 2 – Pyjama Party

Year 1 – Ice-pop Picnic

Section 48 Inspection

Thank you for all your support; your children were simply marvellous and made us all proud. Although the outcome of the inspection needs to remain confidential in the short term, we were delighted with the verbal feedback we were given. A written report will be available at the end of July for you to read.

Sacred Heart School, Liverpool

The staff and pupils had a great visit to our school; joining in with lessons and sharing ideas.
