Road Safety Theatre in Education Show

Year 1 enjoyed the 'Peli and Zebe Roadtastic Adventure Show' where they learned about road safety. Year 2 then had a follow up session to see what they remembered from last year. We are very fortunate that we have these opportunities from Southwark Council to support children's learning.

We would like to remind parents that the **School Car Park is out of bounds**. Please do not use it at drop off or pick up time. This is to keep our whole school community safe.

Road Safety – a request for parents

We are concerned about parking locally and we are aware that Alfred Salter School share these concerns. There has been an increase in parked cars following the recent building and development work locally. If any parents can suggest any solutions to help make this area less congested and therefore safer for our children, we would love to hear your ideas. We are working with Alfred Salter School as both schools have concerns about this.

BIG Battery Hunt!

Don't forget to collect your batteries! Each child has a box and we will ask for the boxes to be returned in the week of 5th February. There will be prizes for the children have collected the most. So please work together to fill up your box and help the environment!

Lost Uniform

It is your responsibility to label your child's uniform, if it is not labelled, we will not be able to assist your child to find missing items.

Family Fund

Thank you to all the families that have contributed so far, if you haven't yet made your donation then please do so as soon as possible.

St John's Catholic Primary School

Dates

Tuesday 30th January – Year 5 trip to the 'Bugsy Malone' production at St. Michael's College

Thursday 1st February –
Year 3 Class Assembly

Friday 2nd February – **9am** Friends of St. John's Coffee Morning and **3.30pm** Second Hand Uniform Sale.

Thursday 8th February –
Year 5 Class Assembly

Please remember that assemblies for parents begin promptly at 3pm and we advise that you arrive by 2.55pm at the latest. If you are late you will not be allowed into the assembly as it is too disruptive.

At the end of an assembly you are permitted to take photographs. Please do not post any photograph which includes another child on social media sites, without that parent's permission. To help the class leave the Hall quickly so that they can be dismissed on time please remain in your seats when taking photographs and do not approach the class. Thank you for your co-operation.

Celebrating Success

EYFS

Last week, Reception class were given a creative homework project to complete with their parents. The task was to make a 3D model of a familiar building or landmark in the local area.

All week, structures big and small have been arriving at the school gates. The children have been so excited to show their friends and teachers their creations and to tell them what they have made and how they made it.

Being an **Eco school** we encourage children to reuse and recycle and this project has given the children the opportunity to do just that. Next week, Reception class will present their models in assembly so that everybody can enjoy them, we are sure that the models will inspire other children to reuse packaging to be creative too.

Thank you to all the parents for helping with this homework project, the children have thoroughly enjoyed it and we are very proud of their hard work.

KS2

Year 6 enjoyed visiting the Bank of England Museum on Wednesday where they learned all about the history of money and even had the opportunity to hold a real gold bar!

Tosan said, "It was very heavy but I managed to lift it!"
