Google internet safety assembly

KS2 pupils enjoyed this assembly. The key messages were to be: Sharp! Alert! Secure! Kind! Brave! Please ask your children to talk to you about what each of these words refers to.

The children also learnt about phishing – are you aware of the importance of the green padlock symbol displayed in the address bar?

Recorder Concert

Year 3 & 4 are holding a recorder concert on Thursday 5th July at 2.45pm. This will be a celebration of what the children have been learning in their weekly recorder lessons with Southwark Music Services.

Safer Scootering -EY and KS1

On Thursday 21st June there will be Safer Scootering sessions for Reception, Year 1 and 2 pupils. If your child has a scooter please ensure they bring it to school on Thursday.

These sessions have always been very enjoyable and most beneficial to the children, in helping them to be safe on their scooter. Please ensure you arrive early enough to school, so that your child can park their scooter in the cycle cage. They will need to know where their scooter is.

New school cardigan to be introduced from September

Having listened to the requests from some parents regarding introducing a cardigan to the school uniform, particularly to help when the girls are wearing their summer dresses, we are introducing this from September. It will be an alternative to the school jumper. However, we would not expect parents to go to the expense for the children only to be allowed to wear them with their summer uniform. Therefore they can be worn throughout the year. Cardigans must have the school crest on them and only those ordered through the school office can be worn. If you would like to order a school cardigan for September please do so through the School Office.

Breakfast and After School Club

Please note that due to the considerable amount of time spent in chasing payments, from September 2018 all payments must be made in advance. Bookings will not be confirmed without full payment

Canada Water Master Plan

Part of the Canada Water Redevelopment includes plans to build flats opposite the school, just behind the Church. There is a drop-in session for neighbours and those most directly affected by the proposed building. It will provide an opportunity to view the relevant planning application documents and discuss the proposals and any questions you have directly with British Land and specialist consultants from the project team. The drop-in session will be open from 6pm to 9pm on 19th June at Alfred Salter Primary School. *Please RSVP if you can via email at: team@canadawatermasterplan.com*

Celebrating Success

KS1

This week, Year 2 showed off their cooking skills by making pizzas in order to understand fractions. The children had a lot of fun putting the ingredients together and listening to Italian music - all at the same time!

KS2

First Holy Communion Assembly

The children who have made their First Holy Communion this year celebrated together last week. There was a wonderful assembly, which reminded all of the pupils about the significance of this special day.

Thank you to the parents who helped with the party. It was a great celebration for the children and the school community.

West End Show - The Mousetrap

Year 6 had a fantastic time watching the longest running West End show, 'The Mousetrap' at St Martin's Theatre on Thursday. They will be working on writing their own scripts this term; ably assisted by a professional actor who will be running in-school workshops.

We are delighted that the children were praised by the organiser of the event for behaving so well on the trip. Well done Year 6!
