

St John's Catholic Primary School

Newsletter: Monday 18th March 2019
Next newsletter: Monday 25th March

The Spiritual Life Committee, School Council and the Green Team have decided that during the season of Lent St John's School will support 'The Trussell Trust Charity'. It is founded on Christian principles and works with people regardless of religious belief or non-belief. Their vision is to end hunger and poverty in the UK.

From the 25th until 29th March we will be collecting the following food items to donate to this worthwhile cause; cereal, tinned soup, pasta, rice, tinned tomatoes, pasta sauce, lentils, beans and pulses, tinned meat and vegetables, tea/coffee, tinned fruit, biscuits, uht milk and long life fruit juice.

Giving – every gift you give helps transform lives!

My Money Week – Competition Winner

The £20 Challenge Winner was

Florence, from Year 5!

Congratulations to Florence who was the winner of the 'My Money Week' Family Challenge, she received £20 to carry out her fun day which she planned alongside her mum. Well done to all the other entrants who received prizes!

Staff at the school are happy to sign forms/write supporting letters, there is a £10 charge per document. On occasions staff will refuse to sign documents because they require personal information, which staff may not wish to share. Please be aware that as a school our main priority is the teaching and learning of our pupils. Staff are not obliged to sign such documents or write supporting letters and it should never be considered an expectation. Any document we do agree to write/sign can take up to one week to be returned to you.

We certainly do not to offer a same day service!!!!!!

Common Childhood Ailments

Many children over their time at school will pick up normal childhood ailments (Head Lice, Threadworms, Conjunctivitis, Ringworm etc). We would ask that all parents are vigilant, check their children regularly and treat any symptoms immediately to avoid these ailments spreading. Please ensure your children are washing their hands regularly and finger nails are kept short and clean.
