3. Barriers to future attainment (for pupils eligible for PP)	
Academic barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Less experience of pre-school settings resulting in lower attainment on entry – oracy skills, ability to focus and manage emotions.
B.	Children may have had less access to books, toys and other resources which support early learning and development.
C.	Gaps in prior learning
D.	Able and more able pupils achieving potential.
Additional barriers (<i>including issues which also require action outside school, such as low attendance rates</i>)	
E.	<ul style="list-style-type: none"> families experiencing housing challenges and which can have very significant negative impact on children, including tiredness, personal hygiene, hunger, fear and anxiety Some children may experience the effects of domestic violence, alcohol abuse or domestic turbulence in the home environment. Access to resources to support home learning eg, devices, wifi, paper, pens, pencils, reading books Some children experience a chaotic lifestyle at home and education is not always seen as a priority. Children may have had less opportunity to travel outside of the immediate area or to access a wide range of opportunities and experiences (lack of cultural capital)
