

St John's Catholic Primary School

25th January 2021

Dear Parents/ Carers,

This week we are contacting you with some further updates.

Firstly, we are pleased to have positive responses from parents for the lunch parcels. If any parent wishes to receive a weekly lunch parcel (these are available for **any child**) please email or call the office to make arrangements to pick it up.

We have had some development in Home Learning - We have set up a St. John's Youtube channel and the younger children in the school (Year 1, Reception and Nursery) will find a video of a story being read to them by one of the adults in their class. There will be a link to this in the Learning Grid.

Thank you for the emails which have come in this week to share the children's work. The email boxes are checked daily and we encourage you to send in your child's work regularly. Weekly telephone calls continue. If a message is left from the school please call back as it important that we have this weekly contact

The email addresses are:

This week Primary Schools have received COVID 19 self-test kits for school staff. These are lateral flow tests which are taken when there are no symptoms and will allow staff to test themselves regularly and in turn this will help to keep our school community safe.

As parents and carers we ask that you play your part in this. If you are at the Gate in the morning and at the end of the day, please continue to observe social distancing. **Please wear a mask when you wait at the Gate – this is so important in helping to reduce the spread of COVID.** If you have not been wearing a mask at the School Gate we ask that from today (Monday) you comply with this to ensure that we look after our school community as best as we can.

Yours faithfully,

Ms J Babb (Executive Head)

Ms. V Jajechnyk (Head of School)
