Children in school

During last week numbers increased to 41 children across the key year groups and the key worker pods. As of this week we look forward to welcoming back 65 pupils across these groups/pods.

Learning Grids

Learning Grids will continue for the classes who are remaining at home (Years 2, 3, 4 and 5), so please continue to check the website.

However to support you with helping your children to learn at home there will be a whole school Learning Grid online weekly, which will focus on a subject. The first one this week is Geography based and the theme is exploring the world.

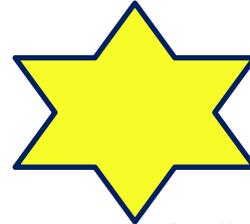

Home Learning Packs

As Year 6, Year 1, Reception and Nursey have now returned to school, Learning Grids will no longer be available for these classes.

Home Learning Packs were available to collect at the designated times sent to parents via text, **no personal callers are allowed at the school office at this time.**

If you are unable to do this the Learning Grids for March, April and May will remain on the website and the Home Learning page will be updated regularly, so please continue to log on to the school website to support your child with learning at home.

Star of the Week for KS1 and 2

Last week the awards were for **effort in handwriting**. Well done to the following children:

- Y1 Eva T
- Y2 Kera
- Y3 Nathaniel
- Y4 Kai
- Y5 Anthony
- Y6 Florence

Please take a photograph of your child's work and email it to the class teacher. Each week the teachers will choose someone based on effort or creativity. The children who win can look forward to a small parcel arriving as a prize!

Prayer and Worship

The school website continues to have weekly assemblies and prayers for families at home. This week the school prayer has been posted so please say this together every day. This was written by the Spiritual Life Committee. Here it is:

Dear Lord,

Bless us as we learn and play together.

Guide all the children, teachers and parents in our school and grant us the grace to be generous to each other.

Help us to love and serve one another and not give up when things get hard. Inspire us so that every day is a good opportunity to become the best we can be. Amen
