## Star of the Week for KS1 and 2

Well done to the following children:

Y1 **Jax** (continual excellent work during Lockdown)

Y2 **Daisy** (for her hard work this week)

Y3 **Mickie** (for amazing English work this week)

Y4 **Thalita** (for an excellent standard of work throughout lockdown)

Y5 **Sebastian** (for working hard in all subjects this week)

Y6 **Nickole** (For progress in Maths)

They will all receive a small gift in the post this week.

**Please continue to send your work in to your teacher by email if you are working at home – you may win Star of the Week next week.**

## Children in school

During last week numbers increased to over 60 children across the key year groups and the key worker pods.

Moving forward, the class teachers now need to focus on teaching the children who are in school and also preparing for a revised curriculum for September 2020.

This means that after this week there will not be any Learning Grids for individual classes. There will be no Learning Packs, unless your child is shielding.

However this week there is a **whole school RE Learning Grid and a whole school Science Learning Grid** on the website to support you and your child to experience a wide curriculum. Next week there will also be English and Maths whole school grids available.

The **Science Grid** includes lots of easy and fun activities to do at home. We look forward to seeing some photographs.

## Year 6 Virtual Printworks Trip

The children in Year 6 enjoyed their virtual trip, where they listened to a story read by the Paper Garden Team, participated in an environmentally based discussion and then had the chance to create their own Box Garden.

## Geography

Well done to the children who have been learning about the world this week and completing activities from the Geography Grid.

This will remain on the website so please do try some activities if you have not yet discovered this.

## Year 6 Leavers

The Year 6 pupils who ordered a leaver hoodie through parents were pleased to receive them and enjoyed wearing them last week. Thank you to the parents involved for arranging these for the class.
