Star of the Week for KS1 and 2

Well done to the following children:

Look out for a gift dropping through your letter box!

Y1 Victory (for completing lots of work last week)

Y2 Kayleigh (for reading several books last week)

Y3 Adam (excellent Science work)

Y4 Freddie (excellent Maths work)

Y5 Isabelle (effort and perseverance even when things are a challenge).

Y6 Mario (excellent Art work)

Please continue to send your work in to your teacher by email if you are working at home – you may win Star of the Week next week.

Learning Grids

This week there are a number of Learning Grids on the website to support you and your child to experience a wide curriculum.

Please look at the RE, Maths, English grids and for this week there is a PE Learning Grid!

Local competition

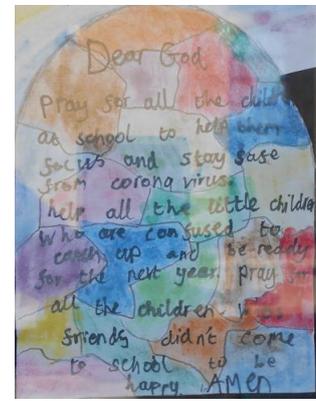

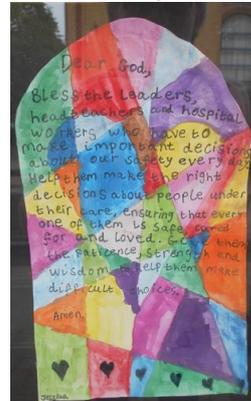

The Brunel Museum need your help – please have [a look here](#) and try to enter this art competition. You might win a prize!

A message from the Bishops of Southwark.

The Bishops of Southwark ask all young people to remember the Lord Jesus commanded us to 'love one another.' (Jn 15:12) and to make a stand against racism.

"Dear young friends, we want you to use your passion for justice to make a difference to your schools and parishes, your neighbourhoods and communities. Make them places where the gifts and skills, the experience and heritage, of all people, of every background, are honoured, valued, cherished and celebrated. There is no place for racism. Let us work side by side to make it part of our history, not part of our present or of our future together."

Year 6 Prayers

Year 6 wrote some prayers for the workers of the NHS and they are on display in their classroom window. Please look at the RE Learning Grid this week and take part in an activity to write your own prayer. We would love to share these.

Year 5 Virtual Printworks Trip

The children in Year 5 enjoyed their virtual trip, where they listened to a story read by the Paper Garden Team. After this they participated in an environmentally based discussion and then had the chance to take part in a creative workshop.

Livestreams for parents – throughout the Summer!

By popular demand, Google and Parent Zone are launching more interactive parent sessions throughout the summer. These free online sessions are only 30 minutes long and are invaluable to support you as a parent to engage your child in safe online behaviour. [Please have a look here](#) for details of dates.

Early school closure

Please ensure you have read the letter on the school website which explains that unfortunately school will be finishing one week earlier, due to work being done on the boiler and associated pipes.
