

## **A prayer for St John's Catholic School Community**

Dear Lord,

We ask you to be with the children, families and staff of St John's Catholic School during this time that is so different for all of us. Help us to stay strong as a school community.

Help us to be kind and considerate,  
Help us to be generous in our wisdom,  
Help us to reach out to people in a way that is safe but comforting.

Be with us every day and help us to find some moments of quietness where we can become closer to you Lord.

**Amen**
