

KS1 and Year 2 self-evaluation for children

Every **FRIDAY** we would like children to send (to their class email address) some feedback on the activities they have been working on this week.

Your teacher and staff team would love to hear how you are getting on at home.

Here are some suggested questions you might like to respond to.

For English and Maths – **what activity did you enjoy the most and why?**

For the other subjects – **which task did you complete and enjoy learning about?**
Was there one of the subjects you found difficult or you did not complete? Why?

A reminder of the class email addresses:

year6@st-john.southwark.sch.uk
year5@st-john.southwark.sch.uk
year4@st-john.southwark.sch.uk
year3@st-john.southwark.sch.uk
year2@st-john.southwark.sch.uk
year1@st-john.southwark.sch.uk

Please email your feedback on Friday – maybe the older children can type this email to their teacher, as this is a good experience for them!
