

Year 5 Learning Grid - Week of 11th January 2021

| MONDAY | TUESDAY | WEDNESDAY | THURSDAY | FRIDAY |
|---|--|--|--|--|
| <p>ENGLISH</p>  <p>Look at the front cover. Write a paragraph predicting what you think the story is going to be about.</p> <p>On the front cover is a character from the story. Write 7 questions that you might ask her if you had the chance.</p> <p>Extension: Write the answers to your questions in role as the character.</p> <p>Click this link for a closer look at the front cover of 'The Lost Happy Endings' by Carol Ann Duffy</p> | <p>Listen to the first part of the story here</p> <p><i>What sort of person do you think Jub is?</i></p> <p>Draw a mind map with Jub's name in the middle and write as many interesting adjectives as you can to describe her.</p>  <p>Now you have lots of interesting vocabulary, write a character description for Jub.</p> <p>Helpful hint: Your character description should describe both Jub's appearance and personality.</p> <p>Don't forget to include relative clauses within your writing to add extra detail!</p> | <p>Listen to the story up until the part where Jub is back in her own home.</p>  <p>Imagine that you are walking through the woods where the story is set.</p> <p>You arrive at Jub's home. You want to remember everything you have seen on your walk.</p> <p>Write a diary entry based on what you saw on your Walk.</p> | <p>Listen to the rest of the story (part 1).</p>  <p><i>What do you think will happen next?</i></p> <p>Write the next part of the story in the style of the author and illustrate it.</p> | <p>Grammar: Present perfect and simple past verb tenses.</p> <p>Write the following sentences out. Circle the correct word or phrases from the brackets to complete each sentence. E.g. I (have/has) been to school today.</p> <ol style="list-style-type: none"> 1. My friends and I (has/have) made a den in the garden. 2. The film (has/have) begun so come and sit down. 3. What (has/have) you got there? 4. (Has/Have) you ever been to France. 5. Mum and Dad (has/have) gone to the cinema tonight. 6. The fox (has/have) eaten everything out of the bin. <p>Write 2 sentences of your own using simple past tense.</p> <p>Now – can you write 2 sentences of your own using the present perfect tense?</p> <p>Spellings:</p> <p>borough advice nutritious confidential suspicious thorough nuisance parliament privilege secretary</p> <p><i>Practise every day and ask an adult to test you!</i></p> |

MATHS

Complete the sequence.

| | | | | |
|------|------|------|-----|-----|
| | | | | |
| 1st | 2nd | 3rd | 4th | 5th |
| 1.21 | 1.32 | 1.43 | | |

Write the rules for each sequence:

0.45 0.6 0.75 0.9

The rule is _____

1.25 2.5 3.75 5 6.25

The rule is _____

Now – practise addition and subtraction.
Use these numbers to make 5 addition sums and 5 subtraction.

Complete the equations below:

- 1) $1.53 + 5.63$
- 2) $1.46 + 6.24$
- 3) $6.32 + 7.43$
- 4) $154.12 + 92.43$
- 5) $3276.34 + 1232.46$
- 6) $43.45 - 23.25$
- 7) $65.21 - 54.43$
- 8) $354.45 - 76.39$
- 9) $232.12 - 94.54$
- 10) $1329.32 - 323.65$

Helpful hint: Use the formal written method to solve these problems.

| | | | | | | |
|----|---|---|---|---|----|-----|
| TH | H | T | U | ● | 10 | 100 |
| | | | | | th | ths |
| | | | | | s | |

When completing this task, draw a place value grid above each equation to ensure each digit is in the correct column.

Once you have completed the task, [here is a fun decimals addition game](#) that you can play online.

What mistake has Dora made?

$$0.41 + 0.3 = 0.413$$

Use at least 2 representations to show why she is incorrect.

Compare the numbers sentences using $<$, $>$ or $=$

$$0.7 + 0.03 + 0.001 \quad \bigcirc \quad 0.07 + 0.3 + 0.1$$

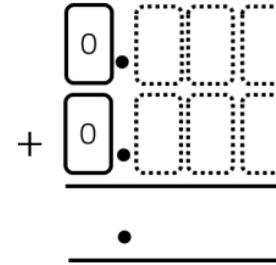

$$0.4 + 0.1 + 0.05 \quad \bigcirc \quad 0.3 + 0.2 + 0.05$$

Work on Mathletics for 30 minutes.

Rosie has some digit cards.

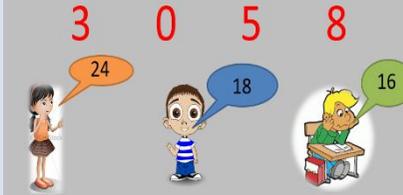

She uses each card once to make a number sentence.

What is the largest number she can make? What is the smallest?

Work on Mathletics for 30 minutes.

How many different ways can we arrange these 4 digits to create different 4 digit numbers?

REMEMBER:

0 cannot be the first digit because that has no value and would mean it is actually a 3 digit number in disguise.

0 must be used as a place holder by being in any of the other columns.

Work on Mathletics for 30 minutes

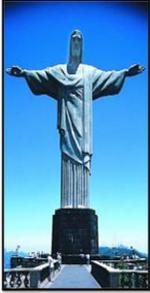

RE

Our RE topic is 'Mission'. Our focus this week is to learn about inspirational communities.

What do the words 'inspirational' and 'community' mean to you?

When Jesus started his ministry (mission) he attended the Synagogue in his hometown of Nazareth. He was given the privilege of reading from the scripture and selected a reading from the prophet Isaiah. This reading became the basis of his mission during his teaching and preaching.

The spirit of God has been given to me.

God has sent me to bring good news to the poor, to comfort the broken hearted, to set free those who are imprisoned to proclaim that the time has come when God will shower blessings on his people.

My heart is filled with joy, with praise and thanks to God. I feel as if God has surrounded me in love, as if God has wrapped me up in a cloak of blessings.

I feel like a bride dressed for her wedding, adorned in jewels.

For just as surely as the earth sends up green shoots. Just as surely as the garden makes seeds grow, so will God bring love and justice and praise to people.

Based on Isaiah 61: 1-2, 10-11
God's Story 3

Activity: Re-write the passage using words, phrases, and images from the modern day. Describe and show how Christians live out this message today.

PSHE

What is the difference between a healthy and unhealthy lifestyle?

What keeps you healthy?

Being healthy does not only mean eating healthy meals. Other factors to consider are mental wellbeing and exercise.

What are the factors that contribute to a healthy lifestyle?

Activity:
Design a 'Healthy lifestyle' poster with lots of useful advice on how to live a healthy life.

GEOGRAPHY

Our Geography topic this term is 'Extreme Earth'. This week's focus: To describe key features of different biomes.

A biome is a large community of vegetation and wildlife adapted to a specific climate. The five major types of biomes are aquatic, grassland, forest, desert, and tundra.

[Watch this short video](#) for more information about biomes.

[Here is a useful website](#) with information on biomes.

Activity: Create an information poster about biomes.

Your poster should have both written information and images to show your understanding of biomes.

ART

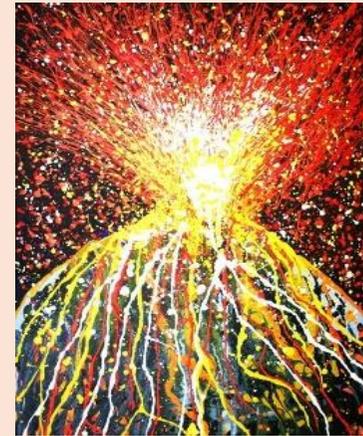

We are linking Art to Geography. We will be looking at modern artists and creating pieces of art in the style of these artists.

The artist we are looking at this week is Kenojuak Ashevak. To begin, research her work and have a look at some of her wonderful art.

Ashevak uses patterns and shapes when creating animal art..

Activity: Using Ashevak's style of art, create a volcanic landscape.

Here is an example of a volcano picture.

SCIENCE

A science workbook will be sent home for you to work through.

Please complete the Year 4 booklet States of Matter as this is the topic you would have missed last year.

Complete Section 1
Solids, liquids and gases

There are suggested investigations for you to try in this section.

At the end of the booklet is a Glossary – make sure you know all of the words and their meanings. Ask someone to test you!
