## Caution!

## Parking Enforcement

We are aware that the parking enforcement camera on St. Elmo's Road is active. Please make sure you don't so much as stop momentarily on the zig zag yellow lines! Tickets are being issued by Southwark Parking Services.

## Water Bottles

Children must bring a water bottle every day, they need to stay hydrated!

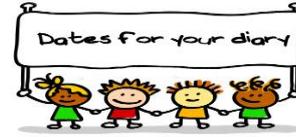

**WATER FOUNTAINS  
ARE CLOSED**

If your child arrives at school without a water bottle you are expected to drop one in for them.

If you haven't done so already, please download the My Ed App. It shows you up to date information regarding all aspects of your child's school life.

## Calling all parents, Year 2 needs your help!!

Every year the children study an artist called Jane Perkins. Jane creates pieces from items usually thrown away. This is a great link with our recycling topic and the children love working together to make their own masterpieces in the same style. To do this we need lots of 'bits and bobs' for example: buttons, beads, broken/old jewellery, odd bits of lego, small plastic toys/objects, straws etc If you have any of these things at home that you could contribute towards our work we would be very grateful. It takes many items to create one piece so every little helps!

You can also visit Jane Perkin's website <http://www.bluebowerbird.co.uk> where you can look at her artwork and see the types of items she uses. On there you will also see the masterpiece created by a previous Year 2 class here at Saint John's. Jane Perkins was so impressed with it she displayed it on her website alongside her own creations.

Thank you for your continued support.

## Online Safety Webinar for parents/carers of children in Years 4, 5 and 6

The internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, on a range of devices. However, the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge.

You may sometimes feel that your children have better technical skills than you do, however children and young people still need advice and protection when it comes to managing their lives online, especially as they get older and take part in online games.

We have arranged for a **parent webinar to take place on 28<sup>th</sup> April at 5.30pm**, please look out for the email with the link that will be sent to you today.

## Poetry Week

The children in Key Stage 1 and 2 have enjoyed Poetry Week this week. There have been lots of opportunities for the children to listen to a variety of poems and also to enjoy poetry writing. Each child in KS2 has been given a Poetry Book with a poem for every day of the year in it. This is a gift from the school for them to keep. Do encourage your child to read a poem every day and enjoy sharing some of the poems from earlier in the year.

Here are photographs showing the children happily receiving their gifts!
