### Online safety webinar

We are delighted that so many parents attended the online safety webinar for years 4, 5 and 6. The feedback has been amazing. The session was recorded, if you missed it the first time around but would like to have the opportunity to view it please follow the link below:

### Parking cones

You may have noticed that our roof contactors are using safety traffic cones outside the school. They are there to preserve unobstructed access to the school for large vehicles who are delivering the roof supplies.

**Please do not move them!**

**Friday 28<sup>th</sup> May** – Last day of term, school finishes at 3.30pm

**Monday 7<sup>th</sup> June** – First day of term, school begins at 8.45am

**Wednesday 21<sup>st</sup> July** – Last day of academic year, school finishes at 2.30pm

### Speech and Language Therapy Drop-in for any School Aged Children

Evelina London Children and Young People's Community Speech and language therapy are holding a monthly online drop-in **for parents**. Your child does not need to be known to our service for you to attend the drop in. We can give general advice on anything related to speech, language and communication. These skills underpin almost every task that your child does at home and school.

The speech and language therapy drop-in will take place the **first Wednesday of every month** from 2.30–4:30pm. Please join at the time that is most convenient for you. You may have to wait before the speech and language therapist can see you. We are also posting weekly videos on our Facebook page

<https://www.facebook.com/EvelinaLondonSLT/>

The drop-in will be held using our video appointment service called Attend Anywhere. Here is the link for the waiting room:

<https://nhsattend.vc/gstt/evelina/community>

You can access the online video consultation/appointment via 'Safari' or 'Google Chrome' on your mobile phone/ tablet /laptops. You will need to have a working webcam, speakers and built in microphone if you are using a laptop/tablet.

**Your child does not need to be present for the drop-in session.** When you sign in for the video appointment, you will be asked for your child's name and DOB. Please add 'SLT drop-in' to your child's name. This way we know that you want to be seen by the speech and language therapist.

### Calling all parents, Year 2 needs your help!!

Every Year the children study an artist called Jane Perkins. Jane creates pieces from items usually thrown away. This is a great link with our recycling topic and the children love working together to make their own masterpieces in the same style. To do this we need lots of 'bits and bobs' for example: buttons, beads, broken/old jewellery, odd bits of lego, small plastic toys/objects, straws etc If you have any of these things at home that you could contribute towards our work we would be very grateful. It takes many items to create one piece so every little helps!

You can also visit Jane Perkin's website <http://www.bluepowerbird.co.uk> where you can look at her artwork and see the types of items she uses. On there you will also see the masterpiece created by a previous Year 2 class here at Saint John's. Jane Perkins was so impressed with it she displayed it on her website alongside her own creations.

Thank you for your continued support.

### Science lesson

Year five did some real hands on learning this week and 'dissected' a flower. The children really enjoyed the practical nature of the lesson and the photos of their learning are on display in the school corridor.
