God's Kingdom of Love

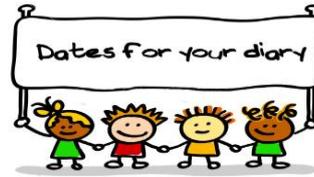

Last week the children took part in an assembly. They prayed, sang and read from the Gospel of Mark 4:26-34. The children reflected on the message Jesus gives us in this Gospel.

The Sunday Gospel reminds us that Jesus came to establish a kingdom – God's kingdom of love.

The children discussed different ways in which they can help to reveal the kingdom of God to others. They talked about how they can share love and peace through everyday acts of kindness, how they can support and help each other at school and at home, how they can love and serve one another, how they can be understanding and forgiving.

**Loving Father,
make us grow in love for you and one another,
and give us the courage and strength
to do your will on earth,
so that your kingdom may come.
Amen**

Sun Cream

If your child needs suns protection in this warm weather, please make sure you apply a good quality, long lasting sun cream in the mornings before they come to school. Children may bring a sun hat if they wish.

Year 5 Sailing

Last week Year 5 started their Level 1 Sailing Course at the Docklands and Watersports Centre. They really enjoyed being on the water, sailing with their friends, in the lovely sunshine. Some children even went into the water!

Lenny said, "My favourite part about Sailing was when we first got into the boats. It was so fun."

Mason said, "I have missed being able to go on trips this year so going sailing has really made up for it."

Maypole Dancing

Reception along with Years 1, 2 and 3 had a special Maypole Dancing Session where they were taught how to Maypole dance.

The children (and some staff) had a whale of a time and were so excited to be taking part!
