Newsletter: Monday 21st June 2021

Next newsletter: Monday 28th June

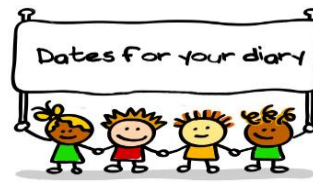

In Year 4, the children have been learning about the story of "The Lost Sheep" and the lessons it teaches us. To help fully understand those messages, the children role-played the story from the point of view of the characters involved. Some of the responses the children gave afterwards about the theme of the parable were excellent: Nathan explained that "Even if we do one bad thing, God will always forgive us." Oscar said "God will always have a way to find you if you get lost". Adam know that "No matter what you do, God will always love you and whenever you say sorry, God will always forgive you."

Uniform orders for September

If you require new items of uniform for the next academic year, please place an order via your ParentMail account as soon as possible to avoid delays in receiving your items.

Uniform orders are sent home with the children on a Wednesday afternoon.

Monday 21st June – Year 6 Step Up Scholars workshop

Tuesday 22nd June – Year 6 Mousetrap workshop (virtual)

Thursday 23rd June – Year 5 Sailing

Thursday 23rd June – Year 2 Paper Garden workshop

Friday 25th June – Year 3 Paper Garden workshop

Monday 28th June – Year 6 Step Up Scholars workshop

Tuesday 29th June – Year 2 and Year 3 Sports lesson at Bacon's College

Thursday 1st July – Year 5 Sailing

Idling Vehicles

Poor air quality is detrimental to our children's health and future development; please do not leave your engine running unnecessarily!

Friday 18th June

Thank you to all our families for being so understanding following the emergency closure on Friday. We have assurances from the roofing contractors that this will not happen again.

We are in the process of trying to re-book the climbing wall.

Year 4 Science

Year 4 had great fun planting and growing peas, basil and chillies as part of their science topic.

"We even had a chance to take some of the plants home to take care of them" said Elene.

Mousetrap workshop

Year 6 have been working extremely hard as playwrights as part of the Mousetrap Project. The children are learning how to write a play and create their own characters. At the end of the series of workshops the children's play is performed by real actors!

Military Activity Day

Last week the children took part in Military Activity Day. They learned the importance of being physically active and completed military style obstacle courses. They learned about the importance of working together to achieve a common goal and completed two very challenging team-building activities. The children had great fun learning outdoor survival skills and learned how to use local resources to cook food and stay warm.
