May Celebrations

At our annual May Crowning this year, the children led a beautiful litany to the Blessed Virgin Mary and prayed a decade of the rosary.

Two children from each year group presented flowers to the statue of Mary as traditional Marian hymns were sung.

It was lovely to have all the children worshipping outside in the sunshine together.

Thank you to Father Azad for attending and thank to Ms Pienkowska and the spiritual life committee for preparing and leading this special event for us.

Fun Climbing Wall Event

On Friday 18th June, we have arranged for a mobile climbing wall to visit the school. Children in Years 2, 3, 4, 5 and 6 can take part.

If you do not wish for your child to participate please email the school office to withdraw your child from this activity.

Year 5 Sailing

We are delighted that Year 5 have been given a wonderful opportunity to attend a Royal Yachting Association (RYA) Start Sailing level 1 course at the Docklands Sailing and Watersports Centre at Millwall Dock. There will be a series of lessons starting this week. We would like to wish all the children luck with their qualification!

Maypole Dancing

We have a fantastic treat lined up for our younger children later this week. Reception, Years 1, 2 and 3 will take part in a Maypole dancing workshop. We will bring you photos next week!

Water for every pupil

Please ensure that your child has a refillable bottle of water with them every day. It is so important to stay hydrated in warm weather!

Well done to Oleg who was awarded a silver certificate in the Junior Mathematical Challenge 2021.

Wishing Violin Success

We would like to wish five of our children 'good luck' with their upcoming gradings for violin. You have all been working so hard and we wish you every success!

If your child is currently in Year 3 and would like to be considered for the next intake of lessons beginning in September 2021, please email the school office so that we can arrange for trials to take place before the end of this academic year.

Step up Scholars

In preparation for secondary school, Year 6 are currently taking part in the Step Up Scholars programme. In their first session the children learnt about the importance of speed when preparing for lessons in secondary school.

Well done to our super speedy team for organising their bags quickly and to Hannah for being the week's Scholar!
