You can make your own Rosary

Rosary Assembly

In our school assemblies last week, children sung and prayed to Mary our Mother.

KS1 children learnt that the rosary prayer is named after the string of prayer beads, which we use to count the parts of the prayer. The Rosary Prayer is very important to Catholics. The purpose of the Rosary is to help people remember the events in the lives of Jesus and Mary and to thank and praise God for them.

The main focus is on Jesus - his birth, life, death and resurrection.

*Hail Mary, full of grace,
the Lord is with thee; blessed art
thou among women and blessed
is the fruit of thy womb, Jesus.
Holy Mary, Mother of God, pray
for us sinners,
now and at the hour of our death.
Amen*

 - Pipe cleaners
 - Small craft beads
 - Scissors
- Place 10 beads of your choice onto a pipe cleaner. Bring the pipe cleaner around into a circle and twist it shut. Place on one more bead for the Our Father. Cut off the extra piece and twist it around to make the cross. Trim off the excess where necessary.
