Report Cards

At the end of this week, your child (Year 1 to Year 6) will bring home a 'report card'. This card will give you information about where your child is academically and should reflect the progress your child has made since the start of the academic year.

Please be enthusiastic with your child and acknowledge the positives and the effort they have made.

If your child is not meeting age-related expectations, what can you do at home to help support their learning? Are you reading every night with your child? Do you encourage good homework habits with insisting the homework tasks are done to a good standard?

School Attendance

At the end of this week every child will be bringing home their attendance record for the academic year to date. Our overall aim as a school is for children's attendance to be above 97%. Any child with a percentage lower than 93% at this school, is classed as a 'Persistant Absentee'.

If your attendance report is on green paper then please congratulate yourself and your child on their good attendance which is over 96%. Orange paper means that your child is below the school target and their attendance is 93-96%.

However, if your child's attendance is on red paper they are below the 93% mark and are considered a Persistant Absentee, their attendance will be monitored on a weekly basis.

Bike shed

Please make sure you take home any bicycles or scooters by the last day of term.

Busy week for Reception Class

We would like to thank the parents from Reception Class who came to watch the children perform their Spring Concert in association with the Royal Academy of Music.

The children sang songs and performed actions, parents were expected to join in and done a fabulous job of supporting the children. We look forward to the next event.
