## Pentecost

Last week's assembly focus was Pentecost. Pentecost Sunday is known as the birthday of the church. This was the day when Jesus' disciples were filled with the Holy Spirit, when the mission of the church really began over 2000 years ago.

The children from Reception class helped to retell the story of Pentecost by waving flags of flames that they had made to represent the Holy Spirit.

Revisit the story and prayers of Pentecost with your child here. Click on the image below

## School Uniform

As we head towards the end of the academic year, school uniform begins to become an issue. You as parents have all made a commitment to send your child to St John's and our school uniform is an outward sign of the school community we are part of. Please find the lost ties and misplaced jumpers. If you do not wish to replace plain black school shoes because your child has grown out of them, then the only acceptable alternative are black plimsolls; elasticated, velcro or lace-up. Please see the pictures below. Trainers are NOT to be worn.

## End of Day

It has been very difficult this last week to pass on messages regarding collection arrangements that are phoned through to the office staff towards the end of the afternoon session.

In fact, the office staff struggled to be able to answer the phone and pass on messages to class teachers because of the number of you who were arriving unexpectedly to collect your child before 3:30pm or who needed to inform us who was doing the 'afternoon' pick-up. As a result, from tomorrow, we will be unable to collect your child from their classroom between 3:00pm and 3:30pm should you arrive onsite early.

## Parking

Please take care when parking, do not cover the dropped kerbs.

The Local Authority's parking enforcement will be out to patrol around the school in the near future

# St John's Catholic Primary School Year 5 Sailing

On Friday, we held our own Jubilee Celebration Day at school. The children enjoyed coming to school dressed in red, white and blue, we even had some children dressed as royalty.

Teachers had planned fun jubilee themed activities for the children which included, art, letter writing, maths, and singing, where the children learned the National Anthem.

The day concluded with a Jubilee Street Party in the playground, it was lovely to see the children celebrating together in the sun.

As a final end to the celebration, every child was gifted with 'Queen Elizabeth: A Platinum Jubilee Celebration' book to go home with.

Last week Year 5 started their Level 1 Sailing Course at the Docklands and Watersports Centre. They really enjoyed being on the water, sailing with their friends, in the lovely sunshine. They can't wait to go back next week

Frankie, "It was my best day ever at school!"

Daniel, "It was awesome!"

## Chartwells and the Lucky Lunch winners

Congratulations to all the winners of the Lucky Lunch competition. Names were drawn from a hat during KS1 & 2 assemblies of all those who enjoyed a healthy school dinner last week.
