The Feast of Corpus Christi

Corpus Christi, meaning 'the body of Christ' in Latin, celebrates the transformation of bread and wine into the actual body of Christ during Mass. In Preparation of The feast of Corpus Christi on Sunday, the children had a special assembly of reflection and prayer. The children thought about different times they have sat together with friends and family to share a special meal and how Jesus sat with his friends during the last supper.

Bug Hotels

On Thursday, Kelly Southion and Jamie Cassidy from McAteer & Rush presented us with the winning 'Bug Hotels'. The bug hotels were made based on the winning designs chosen last term which are displayed on the hoarding surrounding the site. The bug hotels look amazing and the Eco Team will keep us updated on when the first guests arrive.

Hot Weather

As the temperature continues to rise it is even more important that your child comes to school with a full bottle of water each day. Please also ensure that you apply plenty of sun cream in the morning and provide your child with a sun hat (no caps please). Please be assured that we also make adjustments to ensure that the children don't become overheated such as shortened play times and removing of ties.

Masterclass

The children from Year 5 were invited to spend the day at St Michael's college for a secondary school masterclass. The children took part in Science, DT, Spanish and Computing workshops where they got to experience the Year 7 curriculum and explore some of the different resources used to support learning. The children reported that it had been a fantastic day and the staff at St Michael's were very impressed with the children's behaviour. Well done Year 5!
