Prayers for the family

The children were each asked to write a prayer for God's blessings to their family. The response from the children was amazing. What a caring and loving community we have. Please ask your children to tell you about the class books which are on display in the school corridor.

Summer Reading Challenge

Don't forget to sign your children up to the Summer Reading Challenge at your local library. The scheme is open for 4 to 11-year olds.

Children have to read six books over the summer holiday and will receive prizes to take home.

Festival of Sports

Unfortunately we have been unable to secure an alternative venue for a Sports Day. As you know our own school playground is limited in size which is further diminished by the unfinished Trim Trail. As a result we will be unable to have parents as spectators and will revert to the Festival of Sports model we used last year.

Uniform orders for September

We are low on stock at the moment, but a delivery should be with us soon.

FOSJ raffle

Our Friends of St John's parents will be holding an end of term raffle. Tickets are £1 per strip, with prizes being two hampers, one being parent friendly and the other for children. Prizes include cinema tickets, eat out vouchers and lots of other goodies. Look out for the parents selling tickets outside the school.

Southwark are promoting Foundation Degrees, please see the school notice board for details

Isle of Wight Adventures

Year 6 enjoyed a fun-filled weekend at the Isle of Wight last weekend! They had fun using their sailing skills from Year 5 to do some windsurfing, stand-up paddle boarding, keel boating and more; they also enjoyed their face painting and climbing wall sessions – a fantastic way to celebrate their hard work this year!

Year 3 & 4 Sailors

The water sport theme continued with a group of children from Year 3 and 4 who went on a special sailing trip in the Greenland Dock; it was spectacular.

The children modelled exceptional sailing skills, to the point where multiple instructors told me about different individuals. The courage and maturity seen from such young students is inspirational, especially as they wouldn't normally sail with us until year 5. *Report from Mr Price*
