

St John's Catholic Primary School

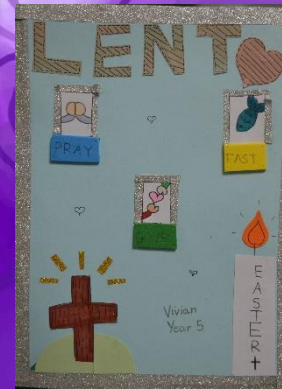

Friday 10th March 2023

Lent is a season of reflection and preparation before the celebrations of Easter.

For their homework KS2 were asked to create a poster of what Lent means to them.

Here is some of their glorious work.

TOWER OF LONDON

Year 2 went to the Tower of London for a Fire! Fire! Workshop where they met a merchant from 1666 who took them back in time to explore London in the times of the great fire. They enjoyed the whole experience including seeing the rest of the tower!

While reflecting on the Easter story, KS1 were set the task of creating an Easter Garden using their imagination and different items/materials. They all produced some wonderful work which we are very proud of.

ST JOHN'S GOT TALENT

We will soon be hosting our very own talent show 'St John's Got Talent'! Each class will be choosing 2 – 3 acts to represent them. Please help your child practice a short routine for the show.

Some ideas include a dance routine, a joke, a song, playing an instrument, reciting a poem etc.

We look forward to seeing them all!

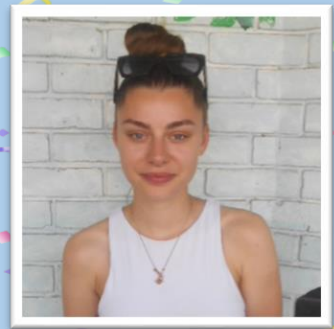

Date to be confirmed!

Congratulations to Eliza-Rose & Kali who placed 1st & 4th in the All England Championships for Irish dancing!

CENMAC.COM
Teaching Assistant of the Month

Congratulations to our very own Miss Julia who was awarded CENMAC's March 2023 Teaching Assistant of the Month!

Please note when calling the school, if you need to talk to someone in the office please press **option 2!**
