TO ALL THE DADS AND FATHER FIGURES:  
**HAPPY FATHER'S DAY**

We give thanks for all fathers and father figures in our lives. Please bless them and help them to be good fathers to their children. We pray for those people who, for whatever reason, don't have a father figure in their lives. The Bible tells us that you are a 'Father to the fatherless.' May they know your deep love and care for them.

Father God,  
Thank you that we are all your children and that you love and care for us.  
Amen

## Phonics

Thank you to Miss Phipps and Mrs Pienkowska for organising a well-attended information event for parents. Our Reception class even gave a special performance of their special song.

## COLLECTION CHANGES

We kindly ask that all parents and carers inform the school office of any changes made regarding the collection of your child/children. Please leave a reasonable time frame between informing us and the end of the school day as information may take a longer period of time to reach the class teacher.

### Year 5 Mass

A huge 'thank you' to Fr Azad and Jimmy who arranged a special mass for the children and parents of year 5. Well done parents – what a great turnout!

## WEEKLY ATTENDANCE

Year Group	%

**Well done Year 2!**

## FINANCE WORKSHOP

This week the children had a very special workshop from HSBC teaching them how to be responsible with their money, discussing financial literacy and sharing hints and tips on budgeting.

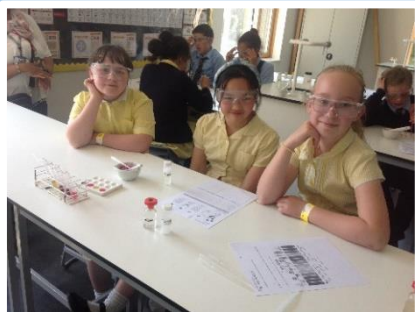

They spoke to younger children about different types of money, and then got more in depth into finances with the older children.

The children said they found this very informative and useful!

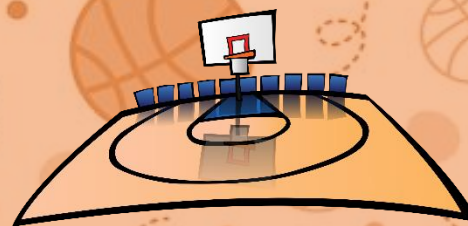

Last week Year 5 enjoyed their annual masterclasses at St Michael's Catholic College. Have a look at our budding scientists!

**Lockdown Practice**  
The children were praised for their amazing behaviour at a recent lockdown practice – congratulations to them.
