

St John's Catholic Primary School

Friday 17th November 2023

In this week's Gospel Jesus reminds us to be ready for His return.

Through a modern-day retelling of the parable of the Ten Bridesmaids, this week's assembly helped children learn that Jesus teaches us that we need to be ready for the unknown time of His return by loving God and loving others.

Jesus,
I want to be ready
for when you come back.
Please help me think of you
all through my day.

Holy Spirit,
help me to follow Jesus
by being kind, helpful and loving today.
Amen

We thank everyone for their generous donation towards the poppy appeal. We will let you know next week how much we raised on behalf of the Royal British Legion.

Dear Jesus,
You said,
'Peace I leave with you.
My peace I give to you.'
Help us be peacemakers
in our world today.
Amen

Unfortunately, housing letters/home office letters are not ordinarily supplied. School staff are not always best placed to confirm family's personal circumstances and although we are sympathetic to challenges please do not be offended when we refuse to write a letter on your behalf.

Please remember to send your child to school with their water bottles!

Date for your diary...

St John's Catholic Primary School

NATIVITY

This year's Nativity will be on Tuesday 19th December. We will be releasing tickets soon which will be available to purchase through our app!

Classes have been visiting Paper Gardens over the last couple of weeks. Paper Gardens is a collaborative seedbed in which to nurture creativity and community right here in the heart of Rotherhithe. The children have been creating, planting and learning about sustainability amongst other things.

GLOBAL GENERATION

We are aware of many WhatsApp groups that exist between parents and we are happy that you are communicating. We appreciate that parents can be a great support to each other, however we please ask that if you have any queries or need confirmation regarding the school structure that you check with the office. This prevents rumours and misinformation. Many thanks!
