

St John's Catholic Primary School

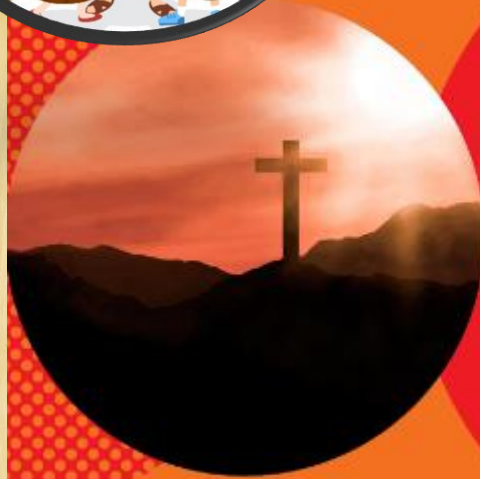

Friday 19th April 2024

Believing the facts is hard when you don't see them for yourself, or when it's just too amazing!

Jesus showed his friends who He is and they shared these facts.

We are also called to be witnesses today.

Go in peace, glorifying the Lord by your life, alleluia, alleluia.

*All:
Thanks be to God, alleluia, alleluia*

Well done to everyone that completed their Easter homework on. I'm sure you would agree our corridor display looks fantastic...

Twist the uniform day

Tuesday 30th April 2024

We will be having a 'Twist the uniform' day to raise funds for year 6's end of year leaving activities.

For a small donation of 50p children are welcome to 'twist' their uniform.

This could include brightly coloured socks, patented tights, funky headwear, bow ties etc. Be creative but the base must still be the uniform!

FYI – School will be shut May 6th as this is a Bank Holiday.

DANCE LESSONS – THURSDAY'S

Please remember that for dance lessons children must **NOW** be wearing their school PE kit not their own clothes.

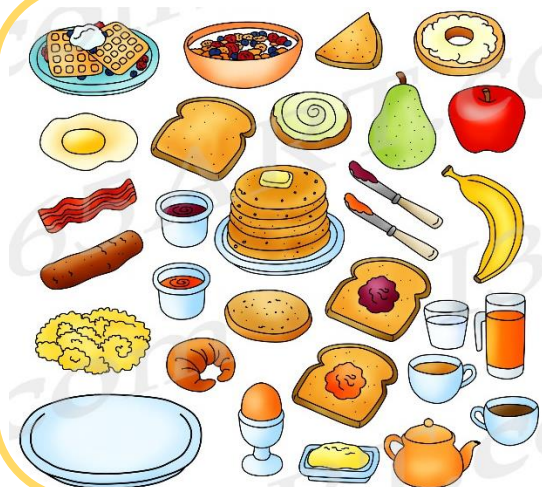

Year 3 has the first session at 9am so they may come to school dressed in their PE kit with their school uniform in a bag.

All other years must come to school in their school uniform and bring their regular PE kit with them.

Religious Education

Thank you to everyone that replied to the survey for our RE inspection this week and for those of you who met with the inspectors! Our visitors were very complimentary regarding the sense of community that exists in the school. They were most impressed with the excellent behaviour of the children and the articulate responses to their many questions. A report will be published in due course which we will share with you.

Breakfast

Although we provide pieces of fruit for all children to have at morning break we have noticed that the fruit size has become more 'modest'. For growing children especially, those in upper KS2 we ask that you ensure your children are eating a hearty breakfast before they arrive at school especially as they work so hard across the morning. Working brains need fuel!
