

Nursery Newsletter Summer 2025

It is a joy to return to Nursery after the Easter holidays, we hope you have had a restful break.

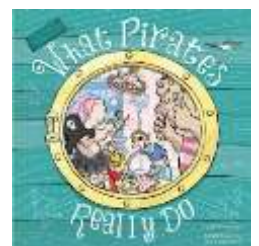

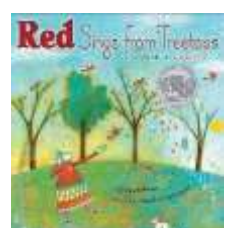

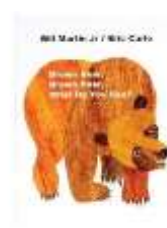

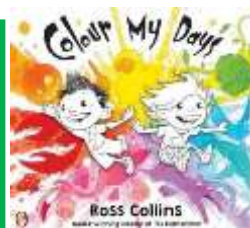

As the weather warms up, it will bring more opportunities for the children to explore and engage in exciting outdoor learning activities, including a visit to Tate Modern and the Canada Water Library. This visit will take place in May and you are invited to join us. More details about the visit will be shared with you in the coming weeks. In addition, we would like to thank you all for consistently completing and returning the WOW cards, as we share their content with the class, they have acted as motivators for children to repeat the good things they've done.

Topics that we will be exploring this term will include Colour and Pirates.

During the first half term, we will be exploring colour as an element for art creativity and expression. Some of the children's literature we will work with to support children's learning are 'Brown Bear' by Eric Carle, 'Colour My Days' by Ross Collins, 'Red Sings From Treetops' by Joyce Sidman among others. In order to immerse children in the world of art outside of the classroom we will be visiting Tate Modern for parents and children to have the opportunity to experience art created by some of the greatest artists in the world.

In the second half term, the children will be exploring the amazing and fascinating world of Pirates and adventure. We will use books such as 'Captain Flinn and the Pirate Dinosaurs' by Giles Andreae, 'What Pirates Really Do?' by Melanie Joyce, and 'Teatime for Pirates' by Richard Dungworth, to captivate children's imagination and story telling.
