

St John's Catholic Primary School

Friday 30th January 2026

In our assembly this week we learnt that the very first disciples were born into families of fishermen. They were ordinary people who worked hard, helped their families and did everyday jobs, just like us. Jesus chose them not because they were famous or important, but because they were willing to listen, to learn and to follow him. This reminds us that Jesus calls each of us too, in our own daily lives, to be kind, to help others and to do our best in school and at home. By making good choices and showing love to those around us, we can follow Jesus just as the disciples did.

Why can we trust Jesus and say a confident 'yes' to following Him?

"And He said to them, "Follow me, and I will make you fishers of men." Immediately they left the boat and their father and followed him."

What is one way you can say 'yes' to Jesus this week?

Born to Fish,
Called to Follow

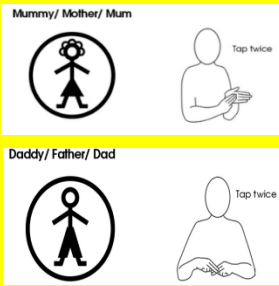

What does peace look like? - RE Homework Project

For a special homework project, children were asked to make a poster to show what brings them Peace and what it looks like. Here are some pictures from our beautiful display in school.

The children really enjoyed learning and practising our Makaton signs

This week's sign's are:

Camley Street Natural Park

Year 6

This week Year 6 went to visit Camley Street Natural Park and took part in a workshop all about habitats. They had a wonderful day exploring the park.

A message from Bridget Phillipson

St John's are pleased to announce that we have received a special recognition from Bridget Phillipson, the Secretary of State for Education for excellent outcomes to help and support our disadvantaged children. We are named as one of the very best schools nationally, which is a significant achievement for us. We are extremely proud, to receive this award and well done to all our wonderful hard working staff!

COLLECTIVE WORSHIP ASSEMBLIES

YEAR 5 - Thursday 5th February

Please arrive by 2:50pm for a 3pm start as we cannot admit anyone into the hall after this time.

Nursery

Our Nursery have been very busy this week. They had a wonderful woodland walk and visited Canada Water Library for story time!

We celebrated a very special staff birthday this week. Can you guess who????

YEAR 4 CRICKET

Year 4 are continuing their Thursday cricket sessions in school. This weeks the session was all about throwing and balance!

Year 6 Class Assembly

Year 6 performed their class assembly this week, all about "Gifts and Talents". The class theme was based on the TV show BGT where the children shared with us their gifts & talents. Gifts are sometimes easy to spot like dancing, performing, etc..but others are quieter: kindness, compassion and including others. The most important thing about gifts & talents is not that we have them but that we share them with others. So, thank you for celebrating yours with us Year 6.
