

St John's Catholic Primary School

Friday 6th February 2026

In our assembly this week, we learned about St Pier Giorgio and all the good works he did to serve the poor and sick and how he was given the nickname "Man of the Beatitudes".

Often, we forget how blessed we are everyday by God by having such a loving family and lots of good friend arond us. Have you thought how we can all be more like St Pier Giorgio in our everyday life?

How can you put others first, like St Pier Giorgio Frassati did, this week?

St Pier Giorgio,
pray for us.
Friend of the friendless,
pray for us.
Helper of those in need,
pray for us.
Comfort of the sick,
pray for us.
Joyful in all of life's circumstances,
pray for us.
Man of the Beatitudes,
pray for us.

Anne from Everyday Magic Storytelling continues to be a wonderful part of our school community, working closely with our younger children to bring stories and rhymes to life. Through engaging sessions filled with imagination, expression and fun, Anne helps to inspire a love of language and storytelling. The children thoroughly enjoy taking part and always look forward to the excitement and creativity her visits bring.

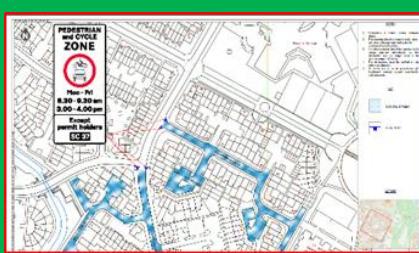

Year 5 Assembly

Year 5's Assembly this week was all about pressure and temptation. We talked about pressures that we might face in our lives and how following Jesus' example can help us to deal with pressure. We also took the opportunity to share some of the work we have been doing in Art, sang some songs and did some dancing! Thank you to everyone who came to join us.

Children will be having pancakes for dessert on Tuesday 10th February to celebrate Pancake Day which falls on the following Tuesday when we are on half term!

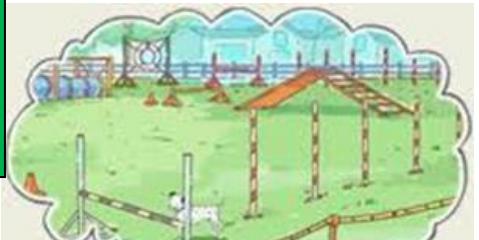

Southwark Council are proposing a School Street School on St Elmos Road and the neighbouring roads as shown in the drawing below. In February they will consult with parents on this proposal, we will keep you posted as we receive more details.

Please can we ask all parents to be mindful of their speed when driving around the school area and the surrounding roads. Your help and understanding is very much appreciated!
