How can we remember that Jesus cares for us and helps us?

In our Assembly this week we heard in the Gospel, how Jesus opened the eyes of two disciples as He broke bread with them. This reminds us that Jesus helps us to see more clearly and recognise his presence in our lives. He opens our eyes to what is good and true. As we reflect on this, we can ask ourselves how can we follow Jesus in our words and actions each day?

May the grace of our Lord Jesus Christ, the love of God, and the fellowship of the Holy Spirit be with you all.

On Thursday 23rd April, we held a special assembly to Celebrate The Feast of St George who is the patron Saint of England. All the children were very proud to wave their flags!

Reception Class - Local Walk

This week, Reception class became young geographers as they explored the world around them. The Children observed and talked about their environment, taking a walk through the local area to visit the River Thames and Stave Hill. From there, they enjoyed stunning views of London and used their keen eyes to spot landmarks that make our city so special.

The Children took lots of photographs to capture what they saw, and when they returned to school, they created their own maps, carefully drawing the places and features they had noticed on their journey.
