

# St John's Catholic Primary School

Friday 8<sup>th</sup> May 2026

In our assembly this week, we heard from the Gospel that the disciples were looking for God the Father, but little did they realise that God was standing right in front of them through the person of Jesus.

This reminds us that God is all around us everyday and if we want to get closer to Him, all we have to do is to get to know Jesus.

Our Father who art in Heaven,  
hallowed be thy name;  
thy Kingdom come,  
thy will be done  
on Earth as it is in Heaven.  
Give us this day our daily bread,  
and forgive us our trespasses,  
as we forgive those who  
trespass against us;  
and lead us not into temptation,  
but deliver us from evil.  
Amen

I wonder...

... what did Jesus mean when He said, "Whoever has seen me, has seen the Father:"?

## Flowers for Mary our Mother

Here are some pictures of our beautiful flowers made by our very talented children and their families for our whole school RE Homework last week. Thank you to everyone who sent flowers in for Mary our Mother. We will present them to her at our "Crowning of our Lady" celebration.

# Year 6 SATs

Year 6 will be undertaking their SATs next week! We ask they all come to school at 8:00am for their hot breakfast.

Research shows that children who eat breakfast perform better in tests, as well as improving mental agility. A good breakfast also elevates mood.

Good luck to all our Year 6 children. We have seen how hard you have all been working!

A poem for Year 6 – Class of 2026

Yes – SATs are tough, but so are you  
You've worked so hard this year.  
Your determination, your resilience,  
Your courage through the fear.

I am so proud of every one of you!  
The progress you have made,  
The mountains you have climbed this year,  
The confidence you have grown and displayed.

SATs don't show how brilliant you are.  
They can't measure your creativity,  
Your music, your sport, your laughter,  
Or your kindness and curiosity.

They don't define your cleverness.  
They don't decide your worth.  
Look how far you've come already,  
Look what that shows of you!

So please:  
Do what you do best.  
Give it your all, then let it go.  
There's no need to fear the test.

Not, "Did I pass?" or "Miss, what score?"  
It's a bonus for sure but,  
That isn't what counts in the end.  
What matters is that you showed up,  
Tried your hardest, again and again.

Take a breath when it is over,  
Let the pressure fade away.  
Be proud of all you've given.  
You've done enough today.

Because you're all incredible,  
In your own bright and brilliant ways,  
A whole class full of colours  
Like a rainbow set ablaze.

By Miss S.J. Kelly, Y6 teacher

## Arbor

Please could we remind all parents to regularly log into the their Arbor App.

This is the main system of school communication and for parents accessing information regarding trips, clubs and attendance.

This weeks sign is:-

Let's all practice our new signs and see how many times we can use them next week!
