

# St John's Catholic Primary School

Friday 19th June 2026

In our assembly this week, we reflected on Sunday's Gospel, where Jesus commissions His disciples to go out and share the Good News.

We are reminded to also follow in Jesus' footsteps by showing God's love through out words, actions and choices we make each day.

With the guidance and strength of the Holy Spirit, we are all encouraged to share kindness, compassion and faith in all we see, think

Come, Holy Spirit, fill the hearts of your faithful, and kindle in them the fire of your love. Send forth your Spirit and they shall be created, and you will renew the face of the Earth.

I wonder...

... how many helpers does God want to share the Good News of His love?

On Thursday, Year 5 started their Sailing sessions at Millwall Dock. They all did amazingly well learning how to put the sails up and they are all very excited for next week.

# BREAKFAST & AFTERSCHOOL CLUB

As some of you maybe aware, we will be changing our wraparound care provider in September to KidsVentures. Please look out for further commutation in the coming weeks.

## SCHOOL UNIFORM

If you would like to order new school uniform for the next academic year, please email the school office by Monday 13<sup>th</sup> July.

### Hot Weather Update

With temperatures expected to rise from next week, we would like to reassure parents that we will be making adjustments throughout the school day to help keep children safe and comfortable. Break times will be adapted to ensure that children are not spending prolonged periods in direct sunlight, and learning sessions will be broken up with additional comfort and hydration breaks.

We will continue to monitor the weather closely and make further adjustments where necessary, so please look out for any updates that may be shared.

We kindly ask parents to support us by ensuring that children come to school with:

- A named sun hat
- Sun cream applied before arriving at school
- A water bottle to help them stay hydrated throughout the day

Thank you for your continued support in helping us keep everyone safe and comfortable during the warmer weather
