

St John's Catholic Primary School

Friday 18th September 2026

In this weeks Assembly, we heard in the Gospel that Jesus teaches us the importance of forgiveness.

The children reflected on how important it is to forgive each other and how this helps us to live out Jesus greatest commandment:

“To Love One Another”

By learning to let go of hurts and choose kindness, our children are putting ‘Jesus’ words into action in our everyday lives.

O my God,
because you are so good,
I am very sorry that I have
sinned against you,
and with the help of your grace
I will not sin again.

The Sacrament of Reconciliation

Who would you
like to say
sorry to?

Who would you
like to
forgive?

UPCOMING DATES

Meet the Teacher 8.40am

Year 6 – Monday 21st September

Year 5 – Tuesday 22nd September

Year 1 Library – 10.30am

Thursday 8th October

School Picture Day- Whole School

Wednesday 6th November

9.00am **Reception** Stay and Learn

Dear Venture Parents/Families,

This week at KidsVentures, we introduced the children to VentureBear! Each week, VentureBear goes home with a special child who has demonstrated our KidsVentures values exceptionally well. If VentureBear joins your family, please take photos of their weekend adventures and send them to us on WhatsApp at 07486867743 so we can add them to our journal.

Additionally, if you have not yet booked for the October half-term, please do so as soon as possible. This helps us plan our delicious meals, trips and creative workshops in advance."

Dear Parents,

Please be reminded that our school car park

is NOT to be used to park your vehicle before and during school drop offs. We have noticed some parents are regularly using our car park when children are arriving and leaving school, which is very unsafe! Going forward, our school car park gate will now be locked during these times.

PICK UP ARRANGEMENTS

Should you have any changes to your normal arrangements, please make sure to call or email the office by 3pm.

Your help is much appreciated

Arbor

Please could we remind all parents to regularly log into the their Arbor App.

This is the main system of school communication and for parents accessing information regarding trips, clubs and attendance.

PE KITS

We have received several reports of head lice within our Early Years setting recently. To help us stop the spread and keep all of our children comfortable, we kindly ask all parents and carers to check your child's hair. If you do find any traces of head lice or nits, please treat their hair immediately before they return to school, and remember to report any cases to the school office so we can monitor the situation. Thank you so much for your continued support and co-operation in keeping our school community healthy.

Please can we ask that your child's PE Kit be now sent into school on Monday morning and it will "live at school" until Friday, when your child will bring it home for washing.

This change is to minimize disruption to scheduled PE Lessons and children not having the correct kit.

We thank you for your support and cooperation in this matter!
