St John's Catholic Primary School

Friday 6th November 2026

In our Assembly this week, we explored the Solemnity of All Saints through Jesus' teaching in the Beatitudes. Through paryer and reflection. We looked at the holy man and woman who share the joy of Heaven.

Early Collections

Please be advised that, with effect from Monday, the Headteachers have made the decision to no longer permit early collection of children for extracurricular activities.

This decision has been made to minimise disruption at the end of the school day, when important information and instructions are shared, and to ensure that all children benefit from a full day of learning.

We appreciate your understanding and thank you for your continued support and cooperation.

Reception

We would like to extend a very warm St John's welcome to Miss Skues, who has joined our teaching team this. Miss Skues is stepping in to cover for Ms Pienkowska during her absence. We are absolutely delighted to have her with us, and we know she will be a wonderful addition to our school community.

We invite all parents and carers to give her a warm welcome and say hello if you spot her at the gate.

Year 6 Fundraiser

Year 6 will be fundraising towards their end of SATs theatre trip in May! To help us reach our goal, we would be very grateful for donations of old books and toys which are in good condition that you no longer need.

We will be selling donated items after school from the week commencing Monday 16th November.

If you have any items you would like to donate, please bring them into the school office by Friday 13th November.

Thank you for your generosity and support. Every donation will help make this special experience possible for our Year 6 children.
